We continue to need your help to promote our mission. ACF is a licensed not-for-profit adoption agency based in Florida. Since 1992 our guiding principal has been that every child deserves a permanent home in a nurturing environment. Our goal is to provide effective adoption services to all members of the adoption triad. This includes helping people creating new family relationships through adoption as well as services to birthparents and adoptees. Your donations help subsidize special needs adoptions, allows us to provide free counseling to adoptees as well as reunion services and provides aid to women in crisis that do not proceed with an adoption plan.

Please support ACF in our mission to find a loving home for every child and ask your friends and family to help us reach our goal!
